House Appropriations Committee
2313 Rayburn House Office Building
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Waynesboro Emergency Services Complex in fiscal year 2025. The entity to receive funding for this project is the Borough of Waynesboro, located at 55 E Main St, Waynesboro, PA 17268. The funding would be used to construct new police and fire facilities.

The project is an appropriate use of taxpayer funds because the proposed project will allow for construction of a new fire and police headquarters to provide improved emergency services to the surrounding area. Construction of a new emergency services complex will provide reliable, public services to the community. This will improve the quality of life for citizens within the Borough.

The project has a Federal nexus because the funding provided is for purposes authorized by one or more of the following eligible uses of the Community Development Fund (CDF): 42 U.S.C. 5305(a)(1), 42 U.S.C. 5305(a)(2), 42 U.S.C. 5305(a)(4), and 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "John Joyce". The signature is fluid and cursive, with the first and last names clearly legible.

John Joyce, M.D.
