Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Fulton County Medical Center Foundation's Clinical Education Suite and Wellness Center in fiscal year 2023.

The entity to receive funding for this project is the Fulton County Medical Center Foundation, located at 214 Peach Orchard Road, McConnellsburg, PA 17233.

The funding would be used for Clinical Education Suites and a Wellness Center. The project is an outreach program designed to engage the community and local small businesses in ways to improve the health and wellness of individuals and employees. FCMC participates in the Rural Health Model. One of the transformational goals is to combat obesity in the community. These grant monies would provide them the opportunity to purchase additional exercise equipment to help achieve the outlined goal.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John Joyce, M.D.

Member of Congress
