Washington, D.C. 20515

Ranking Member Kay Granger
House Appropriations Committee
1016 Longworth House Office Building
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Cumberland Township / Cumberland Twp. Authority in fiscal year 2023.

The entity to receive funding for this project is the Cumberland Township / Cumberland Twp. Authority, located at 1370 Fairfield Road, Gettysburg, PA 17325. The funding would be used for to initiate engineering of the project to include a waste water treatment facility. Estimated engineering cost is 1.4 million dollars.

The community would benefit environmentally by replacing failing on lot sewage treatment with a centralized treatment system and facility that would discharge clean effluent to nearby tributaries that flow into the Potomac River and Chesapeake Bay to assist with Chesapeake Bay clean-up initiatives while removing potentially polluting on-lot sewage systems and provide economic development for areas of the township suitable for mixed use commercial and light industrial development that would provide employment in the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "John Joyce". The signature is written in a cursive, flowing style.

John Joyce, M.D.

Member of Congress
