Ranking Member Rosa DeLauro
House Appropriations Committee
2313 Rayburn House Office Building
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for construction of hangars at the Johnstown Airport in fiscal year 2024. The entity to receive funding for this project is the Johnstown-Cambria County Airport Authority, located at 479 Airport Road, Johnstown PA 15904. The funding will be used for the development of new hangars.

The project is an appropriate use of taxpayer funds because additional hangars are needed to support the continued development, growth, and expansion of the airport. This will provide the Airport with revenue through leasing the individual hangars to aircraft owners. The revenue received from leasing the hangars will provide the airport with funds to help maintain a safe airport facility.

The project has a Federal nexus because the funding provided is for the purposes authorized in 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "John Joyce". The signature is written in a cursive style with a light blue background behind the text.

John Joyce, M.D.
