House Appropriations Committee
2313 Rayburn House Office Building
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Borough of Waynesboro's new Emergency Services Complex in fiscal year 2024. The entity to receive funding for this project is the Borough of Waynesboro, located at 55 East Main St, Waynesboro, PA 17268. The funding will be used for construction of the Emergency Services Complex.

The project is an appropriate use of taxpayer funds because the project will directly improve the quality of life for citizens within the Borough and throughout the region. The complex will provide improved emergency services to meet the needs of the surrounding area. The ability to station first responders in a new complex with will greatly enhance the level of emergency response coordination in southern Franklin County.

The project has a Federal nexus because the funding provided is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "John Joyce". The signature is written in a cursive, flowing style.

John Joyce, M.D.

Member of Congress
